## COMMISSIONERS' REPORT.

---

*To the Citizens of Hillsborough County:*

In compliance with the provisions of the Public Statutes of the State of New Hampshire, the County Commissioners submit this, the seventy-third annual report of the County of Hillsborough, for the year ending December 31, 1919, containing the report of the Superintendent of the County Farm, Treasurer and other County Officers.

The superintendency of the County Institution at Grasmere for the first three months was under the management of Mr. James M. George and Mrs. George as matron, and since April 15, Judge John W. Center has been superintendent and Mrs. Gertrude F. Center, matron, and they have served to the entire satisfaction of the Commissioners and for the best interest of the County. The products of the farm have been large and economically produced considering the shortage of labor and the high cost of everything.

The hospital was under the efficient management of Dr. B. E. Sanborn of Manchester as Superintendent and Dr. W. A. Bartlett, Assistant, until April 1st, when Dr. Damase Caron was elected County Physician and has continued the work with great ability. Miss Addie M. Moore has been retained as matron and superintendent of nurses, Mrs. F. M. Spencer acted as assistant until July, and August 1st. Mrs. Jessie R. Corey returned from war work and was reinstated as assistant at the Hospital. Several much needed improvements have been made and the hospital has continued its work of ministering to the sick and unfortunate.

The jail has been under the management of Sheriff John T. O'Dowd as jailer and Mrs. O'Dowd as matron, who have shown good work.

Necessary repairs have been made on County Buildings, at the County Farm, extensive repairs have been made on the heating plant, the washing machinery in the laundry was found in bad condition and one new washing machine has been installed and repairs on the other have been made, but owing to the scarcity of labor and the high cost of all material, nothing but the most necessary repairs have been done.

The number of prisoners at the farm has been small and much of the work has had to be done by hired help.

We respectfully invite members of the Legislature and all persons interested in County affairs to visit the County Farm and examine it in all respects, particularly into the treatment of inmates and all details of the management.

We extend our thanks to the Selectmen and Overseers of the Poor and all others who have been of assistance to the Commissioners in their work.

Respectfully submitted,

CHARLES W. STEVENS,  
GEORGE J. GINGRAS,  
JOHN J. BAKER.

*County Commissioners.*

## CHAPLAINS' REPORTS.

*To the Honorable Board of Commissioners of Hillsborough County:*

GENTLEMEN—In rendering this, my twelfth annual report, it is much the same as in former years. I have held Sunday services in the chapel twice a month during the year, and attended twenty funerals of those who have died.

Visits among the sick and unfortunate have been frequent, and we hope helpful.

It has been a pleasant year. Superintendent Center and Mrs. Center have been very thoughtful and kind, and rendered every assistance in my duties, for which I wish to most heartily thank them.

I desire also to thank all of the officers for their kindness and courtesy.

Respectfully,

E. C. GOODWIN.

December 31, 1919.

*To the Honorable Board of Hillsborough County Commissioners:*

GENTLEMEN—

During the past year I have held public services once a month in the chapel of the Hillsborough County Farm institution, and visited the sick the day previous. I have had an average of two sick calls a week at the hospital and almshouse.

For their courtesy, that has rendered pleasant my spiritual ministrations at Grasmere, I wish to thank Mr. and Mrs. Center, Miss Moore, Dr. Caron and other officers of the institution.

Respectfully yours,

REV. PAUL DESAULNIERS.

January, 1920.

## SOLICITOR'S REPORT.

Manchester, N. H., January 14, 1920.

*To the Honorable Board of Commissioners of the County of Hillsborough:*

GENTLEMEN—I was only elected County Solicitor for a term beginning April 1, 1919, and qualified to assume the duties of this office.

From April 1, 1919, to December 31, 1919, the Grand Jury returned 140 indictments which were disposed of as follows: fifteen State Prison sentences, 44 Jail Sentences, and 3 sentences to the House of Correction at Grasmere. These State Prison, Jail and Goffstown sentences would include suspended sentences.

There were also 72 appeal cases from Police Courts, 20 Jail sentences and 6 sentences to the House of Correction at Grasmere. These also include suspended sentences.

There were two manslaughter indictments returned, one against Martin De Spiegler, who pleaded guilty at the September term of court and was sentenced to from 25 to 30 years; and one against Demetrious Peppinikolas, who was sent for observation to the State Hospital at Concord and appeared to be insane.

The case of State vs. Aristides Roberts was tried for the third time at the May term of court, the result being the same as the two previous trials—the jury disagreed.

There are 36 cases now pending, 13 of which were pending at the time I entered office, 3 of which are to be extradited—whereabouts unknown or serving time in another State—and ten of which are appeals from Municipal Court.

Following out the policy as a result of experience, criminals who are first offenders and are apparently endeavoring to reform were given a suspended sentence where the crime was not one of great magnitude, *mittimus* to issue on call of the Solicitor.

Respectfully yours,

TIMOTHY F. O'CONNOR,

*County Solicitor Hillsborough County.*

GENTLEMEN:

The jailer takes this opportunity of calling to the attention of your board the real need of an arrangement whereby each prisoner, upon completion of his sentence would be provided with a certain small sum of money for carfare and other necessities, as at the present time there are no means by which a prisoner can work for pay while serving his sentence at the County Jail; the machinery formerly used for this purpose having been shipped away some time previous to April 1, 1919.

## SUPERINTENDENT'S REPORT.

*To the Honorable Board of Commissioners for Hillsborough County:*

GENTLEMEN:

I hereby present to you my report as superintendent of the County Almshouse and House of Correction for the year ending December 31, 1919:

Owing to prohibition there have been fewer prisoners committed to our institution than in former years, and perhaps for the same reason the tendency has been that the new inmates brought to other departments of this institution were older and more feeble than those admitted in former years, and, consequently, less able to do much work. Thus we have had to hire more outside labor.

The crops raised were very good, but the drought in June and July somewhat hurt the potatoes.

During the year we have repaired the boilers and engines and have bought one new washing machine and made extensive repairs on the others.

To all friends, including especially the W. C. T. U., who have sent reading matter, gifts, and furnished entertainment for our patients, I extend hearty and sincere thanks. To the physicians and chaplains, who have attended to their duties so cheerfully and faithfully, I extend my own and the county's thanks.

To the officers of the institution, the older ones who have accorded it so many years' faithful service, and the newer ones who have taken up their work with the idea of making this institution a model one of its kind, I extend my sincere thanks.

To you, Messrs. Commissioners, I am very grateful for the courtesies, advice, help and service that you have rendered me.

Respectfully submitted,

JOHN W. CENTER,

*Superintendent.*

## HILLSBOROUGH COUNTY CONVENTION.

January Session, 1919.

In accordance with the provisions of the Public Statutes of New Hampshire, the representatives from the towns and cities of Hillsborough county met in the general committee room, in the State House, in Concord, N. H., on January 9, at the close of the afternoon session. Senator Horan of Manchester called the delegation to order.

On motion voted to proceed to the election of officers. Edward J. Shanahan of Manchester, Ward 6, was elected chairman, and Edwin B. Young of Goffstown was elected clerk.

Meeting adjourned to the call of the chair.

EDWIN B. YOUNG,

*Clerk.*

Hillsborough County delegation met in general committee room on February 10, after the morning session. A large attendance. Chairman spoke in regard to certain committees, also in regard to an early visit to the county farm.

Smith of Ward 6 moved that a committee of eleven (11) and not to exceed eleven (11) be appointed to consider all bills relating to Hillsborough county. Carried. Committee appointed by the chairman as follows:

Shanahan of Manchester, Young of Goffstown, Gauthier of Manchester, Thayer of New Ipswich, Hargraves of Nashua, Cobleigh of Nashua, Glancy of Manchester, Powers of Hollis, Walbridge of Peterboro, Leonard of Nashua, Allen of Manchester.

Gallagher of Manchester moved that Monday be the day to visit the county farm. Lamb amended Gallagher's motion and fixed date in his amendment as Monday, February 24. Ryder spoke in favor of this date. Motion withdrawn. It was left with executive committee to decide as to date.

Commissioner Hunt spoke in regard to the delay of county reports.

A visit to the jail in Manchester on the same day as the visit to the county buildings at Grasmere was thought advisable.

Chairman asked for a meeting of the different members of the delegation who were serving on other committees in the house.

Convention adjourned to call of the chair.

E. B. YOUNG,

*Clerk.*

Hillsborough County delegation met in general committee room at 10.15 a. m., on February 20, 1919.

House Bill No. 286 was read. Mr. Copp of Nashua, register of probate, addressed delegation in regard to the needs of the probate office. He suggested clerk hire be provided for. An increase in the business of his department was his reason for asking this. Judge Wagner spoke as to the efficiency of the office.

Craig of Manchester suggested that the clerks might be provided for and give Mr. Copp a definite salary.

Leonard of Nashua inquired in regard to the work of the deputy.

Mr. Copp replied: deputy's work to look out for details.

Belanger of Manchester spoke in regard to the need of assistance in the office. Clark of Manchester stated that as a newspaper man, having much to do with this office, he appreciated its work.

Craig of Manchester stated that he was not opposed to the bill and thought a budget system for all county needs was the way to get this and to include this office and its needs in the budget, giving the registrar a salary, and, in turn, all fees to be turned into the county treasury.

Sullivan and Cobleigh spoke in favor of the bill, also Ryder of Manchester.

Chairman asked Mr. Copp if Mr. Craig's idea of a budget would meet with his approval. Ans. No. It would only mean delay of what he was asking for.

Mr. Ryder moved that the delegation visit the jail and county buildings on February 28. Carried.

Leonard of Nashua called for another meeting of the delegation to further consider Mr. Copp's bill.

Adjourned.

EDWIN B. YOUNG,

*Clerk.*

A number of the members of the House Bill committee and delegation met on February 26, 1919, in superintendent of State House's office, to listen to some remarks by members of County Farm Bureau.

Messrs. Smith, Robinson, of the Farm Bureau, Secretary Drake of the State Grange, also Mr. Russell of Grasmere, one of the officers of the Bureau, spoke as to the needs of the Bureau for the coming year. Reports of the Bureau were circulated and meeting adjourned to further consider the Bureau's need at full meeting of the delegation.

EDWIN B. YOUNG,

*Clerk.*

The Hillsborough County Convention met at Grasmere, February 28, 1919.

A majority of the members visited the jail during the morning hours. Upon arrival of the 10.45 a. m. car, an inspection of the county buildings was begun.

Dinner was served in the chapel at 12.30. An abundance and of the best was provided for all.

Following dinner the convention came to order. Chairman Shanahan, in a few well-chosen words, introduced Sheriff Elect O'Dowd as toastmaster. Speaker Tobey was the first speaker. Mr. Tobey spoke of his personal pride in the county buildings and its efficient management.

Mr. Peavey of Greenfield, as the oldest member of the delegation, gave some interesting history in regard to the county institution.

County Treasurer White spoke of finances. The first item was to fix the county tax.

He suggested that a committee do this:

He advised a budget system. Stated last year's tax was \$250,000, and for 1919 the same, 1920 and 1921 more. Commissioner Barr stated \$250,000 would be enough to raise for 1920 and 1921. Last year's floating debt was reduced by \$10,000.

Father Gilbert spoke in regard to the co-operation of commissioners in assisting the charitable causes.

Dr. Sanborn, county physician, told that the county hospital was a well equipped institution, but needed a few things. First, an X-ray machine, also a laundry to be connected with the hospital.

A special place for children was recommended.

John J. Donahue suggested and finally made a motion that there be a rearrangement of buildings to better care for the children. Seconded and carried. A motion was made and carried to make this action of the delegation final in regard to raising of money by taxation and appropriation of same.

The County Farm Bureau was represented by Mr. Lovejoy. Mr. Smith, County Bureau agent, spoke of the work and needs of Bureau. Tobey favored Bureau.

Maurice Connor raised various questions in regard to the workings of Bureau. Smith of Ward 6 spoke of need of co-operation. Ryder called for previous question.

On a division it showed that there were twenty-three voting "yes" and fifteen voting "no." There being no quorum, no definite action could be taken.

Further remarks of a general nature were made by Clyde, Win, Flanders, Gallagher, Ward 6, VanVliet.

Further discussion on subject was dropped.

Commissioner Hunt of Nashua presented a request to allow the county commissioner to purchase a lot bordering on court house in Nashua. Words of regret for the absent electives were spoken by the chairman.

It was moved to adjourn to meet at Concord, on Wednesday, March 5, at 10 a. m. Carried.

EDWIN B. YOUNG,

*Clerk.*

The Hillsborough County delegation met in room 100 at 10 a. m., on March 5, 1919. Shanahan in the chair. Gallagher moved that county affairs be considered first.

House Bill 286 called for.

Mr. Challis thought it best to defer action on 147 until next legislature. 147 and 148 voted to be reported inexpedient to legislate.

Smith of ward 6, Manchester, moved that the sum of \$260,000 be raised by taxation for the years 1920 and 1921; \$5,000 to be raised by taxation in 1919 to meet deficiency and \$14,000 in each of the years 1920 and 1921 shall be deposited to the credit of the sinking fund. Carried.

Challis asked where money was to be expended.

Debate ensued between Commissioner Hunt of Nashua and Smith of Manchester in regard to \$10,000, which was to be appropriated for general repairs for 1920 and 1921, if this was to be an extra appropriation. Chairman asked Superintendent George of the county farm, who was present, to answer. His reply was, "No."

It was moved and seconded that \$10,000 be expended in years 1920 and 1921 for repairs and changes at county farm, any of the sum not used in 1920 may be expended the following year. Oliver of Manchester moved that the county commissioners purchase an X-ray for the county hospital. Carried.

Leonard of Nashua moved that a sum not to exceed eight hundred dollars be expended by the county commissioners, or negotiate to purchase a piece of land on the south side of the county court house lot, in Nashua, which will tend to straighten line of said lot, also to give an entrance to said lot from Spring street. Carried.

Mr. McLaughlin moved that a committee of nine (9), consisting of the chairman, secretary and seven (7) others, be appointed by the chairman to serve as a standing or advisory committee, without pay and whose expenses shall be paid by the county to consider the establishment of a budget system, and also to consider an improved method of fixing the county tax. The chairman may appoint to fill any vacancy which may occur in said committee. Carried in the afternoon session. Speaker moved to adjourn to meet in Division 5 at 2 p. m. Adjourned motion pending.

Moved that the sum of \$5,000 be raised and appropriated for the support of the Hillsborough County Farm Bureau for each of the years 1920 and 1921, provided that this shall

be expended under the direction of the county commissioners, in so far as such supervision does not conflict with specific directions from State College authorities, or Federal authorities, and that a written report of finances and accomplishments shall be given from time to time whenever such reports shall be required by the commissioners.

It was moved that each speaker be allowed five minutes. Carried.

Clyde spoke favorably, referring to a letter of Commissioner Baker.

Win was opposed to measure. Ryder spoke against money going from State to College then back to County. Hallisey of Nashua asked difference between motions. Chairman explained.

# AUDITORS' REPORT.

The undersigned, auditors for said county, report that they have examined the accounts and vouchers of the county commissioner and treasurer, as required by law, and find the accounts correct and well vouched. We are of the opinion that the sums charged therein for articles purchased are according to the market value, and said articles have been used for the benefit of the county.
